“Live the Passion...Live the Game”

Dear Community Business Leader:

We are the oldest existing soccer club in Lee County, established since 1986. We provide a popular and well organized youth soccer program providing opportunities for children ages 4-18 and have served over 850 children annually.

We offer several programs including:

- Recreational Soccer
- Competitive Soccer
- College Placement Assistance
- Soccer Day Camps
- Private Training

Our sponsorship program gives businesses in the area the chance to invest in our youth. We have various sponsorship opportunities to choose from, and whether you choose to sponsor the club as a whole, or an individual team, you are going to make a huge difference in being able to provide opportunities that these kids might have had without your help.

By offering to act as a sponsor we of course would like to be able to give something back to you by bringing exposure to your business. During the season we have in excess of 3,000 people in attendance at the Kelly Road Soccer Complex on weekends. Plus during the week vast numbers of parents are in attendance at the fields while their children are at practice. Certain types of sponsorship do offer a banner that will be placed around the perimeter of the soccer fields and these do offer major exposure. In addition, all sponsorship do come with a banner that would be placed on our website and offer a clickable link back to your website. Of course these things are great to have, but the real benefit is knowing that you are helping local kids and the club as a whole.

Sponsorship monies cover over 50% of all of the club's yearly expenses and the club would not be able to continue without the generous support of our sponsors!

All sponsorship money is invested back into the club in the form of:

- providing soccer scholarship opportunities for underprivileged children
- soccer field maintenance
- maintenance and purchase of new equipment e.g. soccer goals and nets, benches, etc.
- referee fees
- professional trainers
- assistance towards competitive league fees
- help towards the expense of running the club house
- club administration
- website administration

Below is the list of sponsorship opportunities that we have available (please click the links to see what each type of sponsorship offers):
